**Foamcore** - White board. Light and inexpensive

**Sintra** - Available in Black, White and various colors.

**Gatorboard** - Available in Black, White or Natural. More durable and stiffer than Foamcore

**Masonite** - Smooth surface, same look as Sintra. Very tough, but can be heavy.

**Plexiglas** - Prints are second surface mounted behind the plexiglas. Ultimate protection for print. Super sleek modern finish. *\*Museum back required for this process.*
